BCA Quality Initiative
Predominant Building Flag Change

Impacted Data Advice Customers

Subscribers to BCA data advice who subscribe to monthly/weekly files which include city of Vancouver.

Summary of BCA Quality Initiative

This Quality Initiative is to inform you that effective June 29th, 2017, approximately 2000 folios located in the city of Vancouver will be updated. The change involves moving the Predominant Building Flag from the Commercial Building to the Main Building.

Impact on Data Advice

The change may affect weekly/monthly data advice (which include city of Vancouver). By moving the Predominant Building Flag from the Commercial Building to the Main Building, the Predominant Manual Class and/or Primary Actual Use Code may be adjusted as well.
