

Data Advice Bulletin: Delayed Ownership and Sales Information

Impacted Data Advice Customers

All Data Advice customers who subscribe to Weekly Data Advice.

Purpose of Bulletin

Please be advised that there has been a delay in receiving and processing incoming information from the Land Title and Survey Authority (LTSA). The data from May 13th 2019 has not completed processing yet and will be missing from the Data Advice product.

You can expect to see the missing Ownership and Sales information on the June 9th, 2019 weekly Data Advice. We are in the midst of analyzing the full impact of this delay. More information will be available at the end of next week.

In addition, the Data Advice files that would typically run on Sunday June 2nd, will be produced Monday morning – June 3rd.

If you have any questions or concerns, please contact the Property Information team at bcacustomer.services@bcassessment.ca or 1-866-825-8322 ext 00119.

Kind Regards,
