Announcement: Housing Needs Report

In support of the Province of British Columbia's [Homes for B.C. – A 30 Point Plan for Housing Affordability in British Columbia](#), BC Assessment has recently partnered with the Ministry of Municipal Affairs and Housing's Local Government Division to develop a report called the **Housing Needs Report**.

The report was developed based on specifications provided by the Ministry, and is meant to support communities in developing their detailed [Housing Needs Reports](#), identified under initiative #26 within the Homes for B.C. plan. The report for each community has been posted under "Roll reports" on the authenticated portion of bcassessment.ca.

The screenshot shows the BC Assessment website's 'Reports' section. The navigation bar includes 'Dashboard', 'Assessment Search', 'Data Advice', 'Reports', 'Other tools', and 'Support'. The 'Reports' dropdown menu is open, showing options: 'Roll reports' (highlighted with a red box), 'Grant rolls', 'Address accuracy reports', 'Assessment LinkBC', and 'Statutory reports'. Below the menu, a table lists reports with columns for 'Date' and 'File name'. A report is listed with the date 'Aug 22, 2019, 12:00 PM' and the file name '2019 Revised - Housing Needs Report.xlsx' with a 'NEW' badge.

Date	File name
Aug 22, 2019, 12:00 PM	2019 Revised - Housing Needs Report.xlsx NEW
