

Missing Records in April 7th Weekly Data Advice

For Your Information

It has been identified that changes made in the BC Assessment system on April 5th, 2019 were not captured in the weekly Data Advice files posted on April 7th, 2019. These could have been any type of changes that would typically trigger Data Advice (Sale, Ownership, Mailing Address Changes, etc).

This issue was isolated to the April 7th weekly Data Advice file, and has not impacted subsequent weekly files, nor has it impacted any BCA client receiving monthly Data Advice files.

A complete list of affected folios can be found by clicking [here](#). The following table outlines the approximate number of affected folios per Assessment Region:

Assessment Region	Number of impacted properties
Vancouver Island	447
Greater Vancouver	77
Fraser Valley	158
Thompson Okanagan	142
Kootenay Columbia	27
Northern BC	56

If you have been impacted, it is possible that you may have already identified these folios and the appropriate updates may have already been made, however, we are reaching out to each impacted Data Advice client to ensure that April 5th changes are properly represented in your system.

We apologize for any inconvenience this may cause.
