For Data Advice customers that subscribe to our Revised Roll Data Advice and/or Revised + Supplementary 1 Roll Data Advice only. Weekly/Monthly Data Advice is not impacted.

For Your Information:

This bulletin is to inform you of some recent changes to the BC Assessment data that you will be receiving for the 2020 Revised Roll and Revised + Supplementary 1 Roll. In an effort to ensure our data meets the highest quality assurance standards, we have updated the Neighbourhood Code descriptions to be less than 40 characters. These updates were applied to the Neighbourhood descriptions only – no changes were made to the Neighbourhood codes.
